Local Cannery Will Make Its Usual Run; Fruit Here Unhurt

Schuckl Will Send Out About 200,000 Cases This Season

IN SPITE of all reports to the contrary, J. E. Townsend, manager at the Schuckl Cannery, states that the fruit in this section and from his various buying points seems to be uninjured. Everything is being put into readiness for opening the local plant about July 1, and approximately 50,000 cases of apricots will be put up. About 150,000 cases of peaches will be sent out from the Niles plant.

Not only does the crop seem to be abundant and unharmed, but many orchardists have received top prices for their fruit during the past few weeks.

Holly Sugar Company Employees On Picnic

Baseball games and various contests participated in by men, women and children featured the third annual picnic of the Holly Sugar Company, of Alvarado, held at Bonito, between Sunol and the Castlewood Country Club Saturday. More than 300 persons, employees of the plant and members of their families, attended the outing. Prizes for the various races and contests were donated by business firms of Oakland, Tracy and San Leandro. A total of thirty-eight valuable prizes were awarded.

COMMERCE BODY PROTESTS DIRT ON HIGHWAY

Warning Against Fruit Fly Given At Meeting

Protesting the condition of the Niles-Alvarado road, following the recent scraping it was given, the Chamber of Commerce voted at the luncheon Tuesday to write County Engineer George Posey asking that he rectify matters as soon as possible. The dirt which has been scraped upon the pavement is thought to be dangerous in addition to the dust making it uncomfortable for drivers.

W. B. Kirk gave a short talk on the Mediterranean fruit fly which has proved so disastrous in Florida, asking that any person seeing this pest in California re-

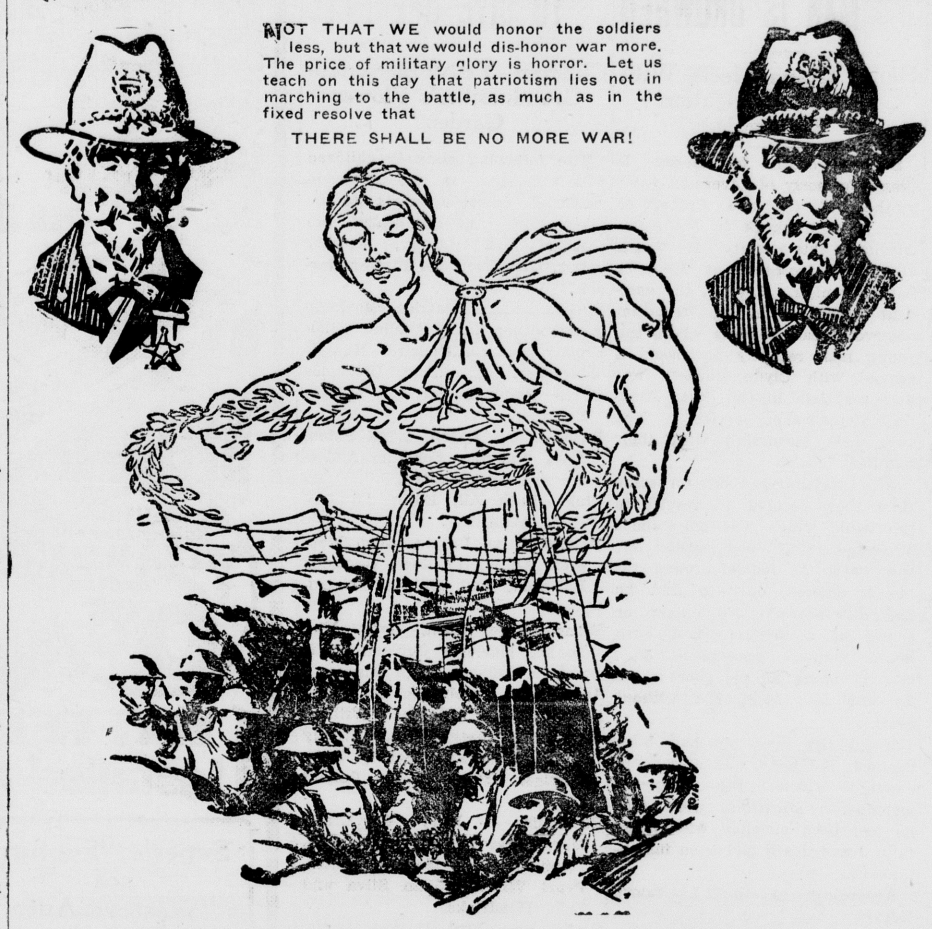
Memorial Day



NOT THAT WE would honor the soldiers less, but that we would dis-honor war more. The price of military glory is horror. Let us teach on this day that patriotism lies not in marching to the battle, as much as in the fixed resolve that
THERE SHALL BE NO MORE WAR!

VOCAL AND INSTRUMENTAL MUSIC WILL CONTINUE IN LOCAL GRAMMAR SCHOOLS

Kimber to Give His Full Time To Orchestra At High School

Definite plans for encouraging progress in music in Washington township were made at a meeting of the music committee at the high school Friday evening.

John E. Kimber, who has been directing the orchestras for all the schools, will confine his efforts to the high school orchestra, giving it his full time attention. Mr. McClellan, assistant director, has been engaged to take full charge of the grammar school orchestras. Decoto trustees felt it necessary to drop the instrumental music and one-half a day of the vocal music, due to financial conditions in the school district. Alviso also dropped the instrumental music for the same reason.

Mrs. Charlotte Huntley Foster, vocal instructor, will continue as before with the exception of curtailing her instruction at the Decoto school one-half day and adding to her list the Warm Springs and the Mission San Jose schools.

Mrs. Foster submitted a detailed report of vocal music achievements in the township schools, highlights of which are given:

Alviso

During their first half year made a good start, in the 7th and 8th grades doing three-part choral work. On June 6th, they will give an operetta, "Let's Go Travelling," a three-part choral, "Night in June," and a two-part choral, "Whispering Hope."

Newark

Particularly good voices for boys in 7th and 8th grades. Operetta has been postponed until fall. Flag Day program, featuring baritone work for boys, "Asleep in the Deep," and "Your Flag and My Flag.' Third, fourth and fifth grade girls will give "America For Me."

Decoto

Graduation music will include three-part choral, "Neapolitan

Register Party of Thirteen Enjoys Pantages Program And New Shanghai Cabaret

In spite of the party numbering "13," the annual celebration for the Township Register's staff in San Francisco Monday evening was a decided success, all guests expressing the utmost satisfaction and appreciation to the host who takes this manner of showing his appreciation for the cooperation and loyalty of the various newsgatherers throughout the year.

Leaving Niles at 5 o'clock, the party went in cars, some across the new San Francisco Bay Bridge and some into Oakland and across the ferry, meeting at the Pantages where a most excellent program of vaudeville and pictures was shown. A black-face skit, a ventriloquist act, a "slow-motion burlesque," Hawaiians and dancing numbers made up an evening of excellent entertainment combined with Laura LaPlante and John Boles who did some really good acting in "Scandal," a picture based on Adela St. John's Cosmopolitan story, "The Haunted Lady." For those who like a bit of night-life, pretty clothes, rooms of a palatial Santa Barbara home as settings and the tense thrill that hangs upon the situation where a man's life depends upon his abilty to be-lie his innocense by shielding a woman and in turn her willingness to risk her husband's trust, her social position and her baby by declaring the man's alibi, this will be an exceptionally pleasing performance.

Starting Friday, May 31, KFRC Blue Monday Jamboree will be featured at the Pantages, including a large group of popular radio stars.

FIRST MUSHROOMS LEAVE NILES WEDNESDAY

President Lannes Sharman, of the Pacific Mushroom company, and the other officials connected with this new concern in Niles, are very jubilant over the first shipment of mushrooms going out Wednesday from the local plant.

The mushrooms have proved exceedingly encouraging in their marked uniformity, proving that the proper treatment with regard to climate, etc., has been given and the undertaking which has been more or less experimental up to this stage has proved itself a definite success. The quality of the mushrooms also is such as to demand the top market price and more than twice the present output has already been contracted for by bay-city wholesalers.

Several other units will be added this summer, the present output being about 15 tons from the first two units.

Leo Vincent, resident manager, as the others connected with this enterprise, feels more than justified for these months of waiting to see if the plan really proved as good a proposition as the preliminary experiments by Mr. Sharman and his partner seemed to indicate.

Friends of the men connected with the Pacific Mushroom company are receiving the hearty congratulations and good wishes of their many friends.

Local Minister Is Invited to Speak

Rev. John R. Stevenson has been invited to the Daly City Parent-Teacher association Friday, June 7, a meeting having been planned to honor the fathers of the community.

Mr. Stevenson has also been asked to participate in the Jefferson Union High school commencement program at Daly City, June 5.

Bids Asked Veterans' Home

Bids for the $40,000 Veterans' Memorial Building at Niles are advertised for in this issue of The Register, to be opened July 2, by the clerk of the Board of Supervisors, and contract awarded.

The bids call for estimates on a one-story and basement frame building, plans and specifications being on file in the office of the county clerk in Oakland.

VAN VLEET RESIGNS FROM ALVARADO SCHOOL

A. F. Van Vleet, principal of the Alvarado Grammar school, has resigned and J. E. Wasley from Modesto has been engaged to take his place. Mr. Van Vleet will take charge of his ranch in the Russian River territory. His many friends in the township will regret to see him go. The Alvarado school under his leadership has made marked success and progress.

George Richards has been elected principal of the Sunol Grammar school.

Mrs. Griffin from Dr. Podstadtter's private school at Pleasanton will replace Miss McGrath at the Alvarado school, Miss McGrath having resigned.

Final Student Body Meeting Friday, 2:30

The final meeting of the Student Body Association of Washington Union High school will be held at the school a week from Friday afternoon at 2:30 o'clock.

There will be a surprise program.

MEMORIAL DAY SERVICES AT IRVINGTON

Memorial Day services were conducted under the auspices of the Washington Township Post of the American Legion at the Irvington cemetery this morning at 10 o'clock. Legionnaires, Boy Scouts friends and relatives of the boys who "went over" were in the audience.

Township Old-Timer Dies In San Jose

Carlton Crane, aged 68, formerly of Alvarado, Niles, and Decoto, passed away last week in San Jose. He was not related to the other Crane families in Niles, but was a distant relative of Mrs. W. H. Ford. He is survived by his wife, Mrs. Helen Crane, and a daughter, Mrs. Helen Guymon, both of San Jose.

The deceased was widely known in his connection with the Southern Pacific excursions, conducting many parties to points of interest about the country.

IRENE LASKY WINS SILVER TYPE-MEDAL

Irene Laskey, student at the Washington Union High school, has received a silver medal in typewriting, from the L. C. Smith Typewriter Company for her achievement in this department of study. She averaged a speed of fifty-two words per minute for fifteen minutes.

COUNTRY CLUB'S LAST MEETING OF THE YEAR

The last meting of the year will be held at the Country Clubhouse next Tuesday at 2 p. m., officers to be elected and installed, and a special program to be presented. Reports from all officers and the state convention will be given.

Special selections, orchestra.

Address, David E. Martin, county superintendent.

Presentation of diplomas, F. W. Joyce, president of board.

Class Song, "Springtime," melody in base, Strauss.

Operetta
"Grandmother's Flower Garden"
June 4, 1929.

Members of the senior class are: Edith All, Frank Amaral, Edna Avila, Ruth Avila, Lorraine Andrade, Joaquin Cordoba, Angelo Cosso, Segundo Dias, Angelo Ghigliazzi, Frank Gularte, Gonzales Hermosa, Ralph Logan, Beatrice Machado, Mary Naharro, Albert Otto, Peter Rivers, Tony Rivers, John Silva, Violet Silva, Mae Sousa, Morton Springer, Lino Santiago, Flora Troche.

Morrison Green, Philip Sousa and Eddie Wargin left today for a visit to Yosemite, planning to stay over Sunday.

JAPANESE GIVE $350 RADIO TO HIGH SCHOOL

Thirty-one Japanese students and alumni of Washington Union High school have presented to the school a $350 Majestic radio and phonograph combined, with approximately $100 extra with which to buy records and equipment.

The presentation was made by Vernon Ichisaka and was accepted by Principal E. B. Hodges, this week. Ichisaka is a member of the senior class and was editor of The Hatchet last year and heads the Washingtonian Staff this year. Talks were also made by Louis Ruschin, another member of the senior class, and Fred F. Dusterberry and F. Vernon Jones, members of the board of trustees, also Joe Blacow, of Irvington, alumnus and dealer through whom the radio was secured at a reduced price, and D. F. Gatchel, member of the faculty.

J. W. Chute, of San Francisco, arrived Wednesday to visit with his brother of Mission San Jose, who has been seriously ill for some time but who at last reports shows slight improvement.

Legion Post Establishes Enviable Record, Here

WASHINGTON TOWNSHIP POST of the American Legion has distinguished itself among all the posts of the state, holding a record that will be hard to be beaten for several years at least. For the third year in succession the local boys have exceeded their membership quota, the initiation of seventeen members Tuesday evening, bringing the total to seventy-nine, three above the quota. Three old members were reinstated in the organization.

In 1927, the township boys were the first in the state to exceed their quota. In 1928, at the Stockton convention they were given a citation for making this record the second year and another citation will probably be given at the San Diego state convention this summer for this third accomplishment.

The banquet attended by sixty-five Tuesday evening was the culmination of the membership drive which has been in progress for the past month. Great credit is due Louis Ruschin, member of the advisory committee, who acted as chef for one of the most elaborate feeds enjoyed by the legionnaires for some time, the menu including roast pork and new peas, potatoes and gravy, pickles, cranberry sauce, French bread, cake and coffee.

All officers of the Oakland Forty-and-Eight were present to conduct the initiation. Members of the local advisory board present were Louis Ruschin, F. Vernon Jones and Frank Dusterberry.

P. A. ELLIS MAKES SPECIAL OFFER ON O'CEDAR MOP

P. A. Ellis is making a special offer this week as announced in the advertising columns of The Register and is offering a new model O-Cedar Mop with every purchase of Certain-teed Floortex rug or roll goods.

The new O-Cedar Mop has the detachable pad so that it may be removed, renewed or cleaned.

Besides, Mr. Ellis points out, the Certain-teed Floortex rug is a bargain in itself, beautiful in patterns, glowing colors, sanitary and easy to keep clean. A full display may be seen at the P. A. Ellis store.

Santos Road Gets New Coat of Oil

Santos road between Niles and Irvington has received its new coat of oil and gravel re-surface, showing great improvement for the summer taffic. This new cut-off is becoming more popular each week, considerable time being saved between the two towns by its use.

Mrs. Richard Jelleff and little son, Dick, accompanied Mrs. Walter Anderson and her sister on a motor trip to Los Angeles, expecting to return about July first.

BROTHER OF NILES MAN IS DROWNED

Henry Crane Meets With Death In Irrigation Reservoir

Sudden death of Henry I. Crane, formerly of Livermore, and brother of Clarence Crane, of Niles, was a shock to his many friends in this vicinity. He was a victim of drowning at Mendota Saturday night, May 18, the accident occurring in an irrigation reservoir near Mendota where the young man recently purchased a garage with Clyde Burnett, former associate in the State Highway Commission service. The two were swimming with their families.

After swimming about for some time they decided to return to the bank which was only about 25 feet distant. When Burnett left the water he looked around for his companion, only to find he had disappeared. No outcry or sound of a struggle had been heard. Others present at once started diving at the spot where he was last seen, but without avail.

When the reservoir had been drained, the body was discovered about 5 o'clock the following morning. Indications were that he had been stricken with heart failure and death had been instantaneous.

According to the Livermore Herald:

Deceased was the son of the late Mr. and Mrs. George Crane of this place, and was a native of California, aged 33 years. He is survived by his wife, Mrs. Anne Crane, and two children, Henrietta, aged eight, and Henry, Jr., aged four, all of Mendota; two sisters, Mrs. Frank Fioro and Jane Crane, of Livermore; and four brothers, Charles E., Alfred and Russell Crane of Lilvermore and Clarence Crane of Niles.

Although he had not resided here for about ten years he had many friends in Livermore and was well and favorably remembered by the community, where he spent his boyhood. He was with the State Highway commission for about eight years and had just recently purchased the garage at Mendota, moving to that place from Modesto. He served with Company I, Fifth California Infantry, Livermore's former National Guard organization, on the Mexican border in 1916.

Funeral services were held here Wednesday morning at Reimers' funeral parlors, Rev. Edwin B. Hays, pastor of the Livermore Presbyterian church, officiating. Cemation at the California Crematorium in Oakland followed.

Martha Washington's Rose Garden

THE rose garden which was set out along about 1759 on the country estate of the Father of His Country at Mount Vernon, Va., is said to have been the first formal garden in America.

This picturesque and quaint old garden, maintained today practically as the Washington family left it, with its wealth of bloom and delightful odors—pinks, sweet William, roses, heliotropes, verbenas, dahlias, hydrangeas and chrysanthemums—and its atmosphere of quiet peacefulness constitutes one of the memories of are charm of Mount Vernon to visitors from far and near.

The maze of flower beds—circular, triangular, oblong and square are laid out in careful precision and the old-fashioned box hedges which line its walks are smoothcut on top, their sides trimmed straight and exact. The protecting wall was made of brick, which probably was brought from England and held together with oyster-shell cement.

It is said that the four great trees which guard one entrance were planted by Washington with his own hands and that in 1824 the gallant Lafayette planted here, in memory of his friend, a sprig taken from the grave of the great Napoleon at St. Helena.

Features which attract marked attention are the Nellie Custis rose, white as the driven snow, which Washington named in her honor—oft referred to as the lovers' rosebud, where the princess of Roumania, as well as thousands of other less-world-known boys and girls and men and women have come to make their fondest wish—and a sea-shell-pink rose—the Mary Washington—which he named for his devoted mother.

Niles

Work at the Niles school includes the Christmas carols, the primary operetta given at the Niles theater for Girls' Week, and which will be repeated at the Toyon Branch Garden party; the Girls' Glee club also sang at Girls' Week program and on the Chamber of Commerce KZM broadcast.

A cantata, "Lindy," will be given June 14. This is a story of Lindbergh's flight, with two and three-part songs. First, second and third grade girls will give "Flower Songs" and the boys will give Flag Day songs. These grades will also give an ensemble, "The Five Knights," on June 14.

Irvington

Boys' and girls' glee clubs have been organized. Girls have bought insignia, the lyre in school colors. They entertained at the Girls' Week program at the Niles theater, gave an Arbor Day program and sang the Chistmas carols. The spring operetta will be given June 11, "Love Pirates of Hawaii." A number of solos will be included, also a uke chorus. Graduation music includes Fritz Kreisler's "The Old Refrain" and the class song.

Mrs. Foster also reported that many of the township grades had reached the state standard in outline work, studies in appreciation, etc., putting the districts on a favorable comparative basis with the city schools in vocal music.

BRADY ANNOUNCES TWO DANCES FOR GARDEN OF ALLAH

Brady's orchestra will give a dance at the Garden of Allah on June 1, and another on June 8. The public is invited to attend and is assured an evening of pleasure.

This orchestra has proved itself popular in several previous appearances and a large crowd is expected at each event.

CAMEL

CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained . . . by the world's largest organization of expert tobacco men . . . it never varies.

Smoke Camels as liberally as you choose . . . they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.

Highschool Receives Radio From Japanese

The High School Student Body received their greatest and best surprise of the year Monday, when the Japanese students of this township presented a beautiful Majestic combination radio and phonograph to the school. The set is all-electric, and can be used in any room with either records or radio programs broadcasted.

M. Vernon Ichisaka presented this gift with $100 extra for records or other improvements, in behalf of his club.

Such an instrument has been a long-felt need and appreciation of the students, faculty and board was expressed by Louis Ruschin, E. B. Hodges, Fred Dusterberry, D. F. Gatchel, and F. V. Jones.

Old Friends Meet At Mrs. H. Crosby's

Mrs. C. Emerson motored with Mrs. H. Gregory, Mrs. A. Blanchard and Ms. F. O. Bunting to Oakland, attending a luncheon given by Mrs. Henry Crosby this week. There were a number of old friends who formerly were residents of this town. Among them, Miss Riley, Mrs. T. Huxley and daughter, Grace, and Mrs. Edna Allen, making it a delightful affair.

Welfare Ship Party Nets $20 for Work

The Welfare Ship sailed forth most gallantly at Mrs. F. Bunting's Tuesday. They sailed from port to port, six of them, and all seemed to enjoy the trip. China was quite slow in reaching America, but she arrived safely. The score cards were in the shape of ships. Miss Bess Dusterberry won the first prize; Mrs. Christensen, the consolation. Thanks to the generosity of the guests, $20 was added to the Welfare fund.

Herbert Man Buys Centerville Garage

Herbert Man has bought out the interest of Ed L. King in the Centerville Garage and Machine Shop.

Mr. Man, a master machinist, has been with this company for a good many years.

Mr. King will continue to sell tractors and implements, while Madruga will remain with the garage business, selling Graham-Paige cars.

Mrs. Robert Anderson Entertains Sweet 16

The "Sweet 16" met with Mrs. Robert Anderson last week. The fortunate ones were Miss Bess Dusterberry, points; Miss M. Norris, slams; Mrs. M. Mathiesen, consolation. It will meet with Miss McCormack June 6.

Reporters Enjoy San Francisco Trip

The reporters of the Township Register enjoyed a trip to San Francisco, a theater party, and later a dinner at the New Shanghai cafe. The reporters feel that Mr. Parks showed his appreciation in a very pleasant manner.

Old Eaton Home Is Sold to Fred Lewis

The home of Dr. Du Bois Eaton has been sold to Fred Lewis. Doctor and Mrs. Eaton will make their home in San Diego, and will leave the latter part of June. They will be missed by all.

Mrs. Jack Blacow to Entertain Card Club

Mrs. J. Blacow entertained the Bridge club on Wednesday evening.

Mrs. E. Chadbourne and Miss J. Kinney spent a week at Myrtledale, Napa county. They returned on Thursday.

FASHION SHOW

An audience of gratifying numbers witnessed the annual Fashion Show at the High school Friday evening, music being furnished by the orchestra.

Mrs. Josephine Morris, instructor, picked forty girls out of the ninety students in the clothing department to be models—Anna Freitas, Alma Bettencourt, Pauline Ennes, Eleanor Gould, Theodesta Fercera, Isobel Azevedo, Aileen Steinhoff, Ora Burnett, Irene Ceslak, Hln Silva, Angi Algri, Mami Cadeira, Mildred Dias, Leonra Neves, Thelma Harlan, Kate Koga, June Witherly, Grace Bettencourt, Roseline Enos, Annie Bettencourt, Irma Hodges, Eleanor Morris, Mae Andrade, Elsie Silva, Irene and Arlene Oliveria, Aldina Perry, Alice Sequeira, Olive Silva, Vivian Marshall, Inez Rivers, Ida Sequeira, Mitsuye Kawaguchi, Mary Duarte, Irma Clarke, Katheryn Bliss, Nora Broberg, Emeline Oliveria, Evelyn Freitas, Elsie Costa, Mary Azevedo, Evelyn Rose.

School dresses, sport dresses, tailor models, afternoon dresses, children's dresses, and evening wraps were shown.

TO MT. HAMILTON

The recently organized Science Club is planning to take a trip to Mt. Hamilton on Saturday, June 1. Members expect to leave the high school at 5:30, and motor there, arriving in time to take snap shots and see the grounds around the observatory. Plans have been made to see Mars, the moon, five stars of the first magnitude, and perhaps Venus through the Lick Equatorial telescope, the third largest in the world.

LEAGUE STANDING

The following is how the basketball teams placed in the A.C.A.L.:

First—Alameda.
Second—Hayward.
Third—Emeryville.
Fourth—Washington.
Fifth—Berkeley.
Sixth—Piedmont.

The following are the finals in the A. C. A. L. sport activities in 1929:

Basketball—First, Alameda; second, Hayward; third, Emeryville; fourth Washington; fifth, Berkeley; sixth, Piedmont.

Football—First, Hayward; second, Berkeley; third, Piedmont; fourth, Alameda; fifth, Washington; sixth Emeryville.

Baseball—First, Berkeley, second, Washington; third, Alameda; fourth, Hayward; fifth, Emeryville; sixth, Piedmont.

Track Class A—First, Berkeley; second, Alameda; third, Piedmont; fourth, Hayward; fifth, Washington; sixth, Emeryville.

Track Class B—Washington finished the same as class A.

JUNIORS WIN

On the baseball field the Juniors remain supreme. The class of '30 won the interclass baseball championship by defeating the Freshmen in the finals.

VISIT GRAMMAR SCHOOLS

Five of the 1929 student body officers made a tour of the grammar schools of Washington Township in order to encourage grammar schools students to come to Washington Union High school and to tell them a little about high school activities. Those who made the trip on Wednesday were: President-elect Frank Pimentel, who talked on Associated Students; Vice-President Elizabeth Shinn, who spoke on School Publications; Secretary Mary Lucas told about Clubs and Girls' League; Howard Overacker, treasurer, discussed Boys' Athletics, and Lola Luna, girls' athletic manager, talked on Girls' Athletics.

GIRLS' HIKE

With the ending of speedball, baseball mitts and gloves are out on the field and the girls are up to bat. They already have been practicing a great deal, but there is doubt as to whether any games will be played between the classes. The reason for this is that sportsmanship is very low among the girls, and unless this is brought up no games will be played.

There is also a question as to a tennis tournament. Many of the girls are looking forward to this, both the mixed doubles and single matches.

Aside from the many doubts, it is certain that on June 1, those girls wishing to go on a hike will have their wish. They will go to some place in Niles Canyon. A previous hike was planned to Mission Peak. This was put off because the land-owners have prohibited all tresspassing on their property.

FACULTY PLAY BALL

On Monday, May 27, the Washington High school students will have a chance to see probably the greatest baseball team in the United States. The faculty of our high school will discard their books, papers and forget their work, to participate in a baseball game against the champiion Junior nine. Mr. Mette will head his "hitless wonders" on the field, and it is hard to say who will lead them off.

COMMERCIAL CLUB

At the last Commercial Club meeting Mr. Joseph Dias, principal of the Centerville Grammar school, was the speaker. He emphasized a thorough preparation for a position.

On Wednesday, May 2, the club took a trip to San Francisco in place of its regular meeting. Plans were made to visit the Museums, Golden Gate Park, and The Palace of the Legion of Honor. The girls prepared a picnic lunch, and the boys looked after means of transportation.

VACATION AT SCHOOL

The high school decided to give the teachers and pupils a vacation on Friday, owing to Decoration Day coming on Thursday.

The public is invited and urged to encourage the young people by their presence.

It costs very little to recondition *a* MODEL T FORD

THE cost of reconditioning the Model T Ford is small because of the low cost of Ford parts and the established Ford policy of charging all labor at a standard flat rate.

The labor charge for tuning up the motor is only $1. This includes replacement of commutator case, brush and vibrator points if necessary. Grinding valves and cleaning carbon runs from $3 to $4. Overhauling carburetor, $1.50. Installing new pistons or connecting rods, $6. Tightening main bearings, $6. For a labor charge of $20 to $25 you can have the motor and transmission completely overhauled.

The labor charge for replacing rear axle shaft, drive shaft pinion or drive gear is $5. All sockets and joints of front end can be tightened for $1.50.

The steering gear can be completely overhauled for a labor charge of $3.50. Muffler repaired for $1.00.

The labor charge for repainting the Coupe is $25. Sedan, $25. Touring Car, $20. Top deck of Coupe or Sedan can be replaced for a labor charge of $4.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

Drive in your Model T and let us estimate on the cost of putting it in first-class shape. We will tell you in advance exactly how much the complete job will cost.

YOUR QUESTION AND ITS ANSWER

QUESTION—"My lungs seem to be weak, as every little cold results in a bad cough that hangs on for weeks. What is the cause of this lung trouble?"

ANSWER—There very probably is no lung trouble in your case. Your trouble is more likely to come from a general run down condition. You have no resistance to fight off these colds and the cough naturally follows. If you come in for an examination we can no doubt locate the true cause of your run down condition and correct it for you. There is no charge for examination and consultation. You should not neglect a condition like yours but have it corrected at once.

HAM DINNER TO DRAW CROWDS SATURDAY

Every man, woman and child in the township will find something of interest at the Garden Fete at the Shinn gardens Saturday, the hot-baked-ham dinner to be served at noon to be the main feature. For the women who are wise enough to shop in summer for Christmas packages, the novelty table will offer some irresistible articles at prices far below those at which they could be obtained retail in the San Francisco stores, and for the kiddies will be the fish pond, grab bag, candy, lemonade, pony rides, etc.

A special feature is being made at the candy booth, a new brand of home-made sweets, attractively boxed, to be offered for those who would make graduating gifts of this nature. Orders will be taken and 100 per cent fresh candy mailed to those who wish to make the gifts two weeks later, the Baby Hospital group receiving a generous per cent of the proceeds of this candy. Various people have also donated home-made fudges, caramels, etc., and all those in the community who make good candy and wish to help this worthy cause are urged to send in the candy or telephone the chairman at Niles-83.

The menu for the dinner will include hot baked ham, hot biscuits, Bluebird potato chips, Tuttle's cottage cheese, Wright's mayonnaise and pineapple salad, Folger's coffee and ice-cream and cake. This luncheon is served cafeteria style and each may have the serving he wishes.

Chambers of Commerce will attend in groups and the business men will be served promptly.

Housewives will find Sunday dinners at the home-cooked food table. A mystery table is also being arranged. California Nursery company plants are also to be sold on commission.

A demonstration will be given by the P. G. & E. on their stove, the biscuits served by this company. Mary Dowd Reardon has charge of the rest of the dinner. It is also planned to have demonstration of electric washing machines, vacuums, etc.

Donations will be acknowledged in a later issue. The public is urged to patronize this affair and is assured an interesting, eventful day. A program including music and other features will be one of the free attractions.

Allen Shinn, attending Annapolis, threw the discus 123 feet 5 and one-half inches, in an interschool meet, breaking the freshman record, recently.

MEN'S CLUB MEETS IN CENTERVILLE JUNE 5TH

Dinner was served to the Men's Club of Washington Township by the Country Club of Washington Township ladies at the club in Centerville Wednesday evening.

One of the most enjoyable programs of the year was that given Wednesday evening. The principal speaker was Al Joy, of Fresno, advertising manager of the Great Western Power company and the San Joaquin Power and Light Company, using as his subject "The Good Old Days." Mr. Joy pointed out that those living today were in practically all respects better off than their ancestors living in the so-called "good old days."

Vocal music was furnished by radio entertainers and Carl Volker, of Oakland, accompanied by Harry Salz. The Gygax trio, of Newark, also furnished several numbers. About 92 attended. Mrs. Carrie Emerson had charge of the kitchen and Mrs. Wm. Wyatt, the dining room.

UP-ROOTED TREE DAMAGES COTTAGE

Belvoir Hotel Slightly Damaged By Sunday's Wind Storm

Sunday's high wind hurled itself around the corner and into the usually protected little cove which encircles the Belvoir hotel and its cluster of cottages, causing considerable excitement when one of the big eucalyptus trees was partially uproopted and flung upon the cottage occupied by Mr. and Mrs. A. F. Johnson.

Investigation proved that little damage was done to the cottage which lost its smoke-stack and a few shingles. The water and gas pipes, however, were broken as the roots were torn up and these two services were consequently disconnected for a time.

Mr. and Mrs. Johnson were out of town when the accident occurred, as were also Mrs. Emilie Chittenden and Mr. Sharp. F. A. Bishop, of Centerville, came to the rescue, ascertaining that the damage was not serious.

MISS J. HUMPHREYS CHAMPION SPELLER

Wins County Contest In Spellng; Going To Sacramento

In the final round of the spelling contest, Josephine Humphrey, a senior student, outspelled her two closest contestants, Elsie Hodges and Irene Ceislak, to win the opportunity to represent Washington High at the county contest, which was held on May 27 at Hayward.

Miss Humphrey won out at the Hayward meet, winning county championship honors and being entitled to compete for state honors at Sacramento this fall. Her alternates were Miss Hodges and Miss Ceislak.

In the county grammar school elimination contest, Wilbur Davis, of Uleasanton, won first for the second year; Hayward, second; and Niles, third.

Of the thirteen students who took the written test first, there were six who qaulified for the oral spelling in the auditorium later. They were: Toshi Sato, Jack Bunker, Margaret Bettencourt, and the three finalists. First—Josephine Humphrey; 2nd— Elsie Hodges; 3rd—Irene Ceislak. The three girls who placed were the only ones in the written test who missed less than four; it happened that each of them had missed exactly three words a piece.

Mrs. Hodges and Mrs. Wright conducted the contest in which the words that were spelled were taken from a list of 2,500 words. Webster's Dictionary was the basis of the contest.

Judge J. A. Silva has been sitting for the police judge in Oakland this week and held no local justice court.

Can Convenience

NO, we're not being so heartless as to suggest that you "can" convenience — give it up — but we are talking about a convenient new size of can which has recently come into the market. This has been variously nick-named the "bachelor" or "buffet" can, the "can for a couple," or simply the "eight ounce can." It is three-fourths of an inch shorter than a standard No. 1 can and ot the same diameter, and its contents are sufficient to serve one person lavishly or for moderate portions for two It is a most convenient size for people living alone, such as bachelors, business women and hermits, and it has the merit of avoiding all waste.

Just Enough—Not Too Much

This can got its start in the five and ten cent stores. For a long time these stores had wanted to sell ten-cent amounts of foods, just as they sell ten-cent amounts of a multitude of other necessities, but there were none on the market. Finally a couple of enterprising packers entered this field, and, shortly after, others followed. Now the new size of cans has found its way into other stores such as groceries, dairies and delicatessens. In New York City there is even a whole grocery store, run on the self-service principle, which carries nothing but five and ten cent packages of food, and offers about 400 different items.

Among the foods packed in these new small size cans are the staple fruits, such as peaches, pears, pineapple, apricots, cherries, plums, the smaller vegetables such as corn and peas, and many specialties such as soups, pickles, jams, jellies, fruit juices, condiments and cheese.

These small cans solve the problem of "just enough — not too much." A ten-cent can of apricots, for instance, provides four halves, canned pears five halves, Maraschino cherries eight cherries. For decorations to top desserts, or to eke out some left-over vegetable these small cans are a resource for larger families.

MARRIED MEN ONLY!

If your employer expected you to give 1929 results with Civil war tools and a horse and buggy, you'd quit.

Have you purchased the modern devices for the little girl at home or are you letting her become a broken-down old woman before her time?

Boys—try "dating up" your wife for lunch at a high-class place. You'll be surprised at the results.

PARENTS TO STUDY "CHILD TRAINING"

All Interested Asked To Meet Next Sunday Evening

All young parents interested in a group discussion of the best methods of dealing with problems arising in child-training are asked to meet at the parsonage of the Niles Congregational church next Sunday evening at 7:30 o'clock, at which time a general line of procedure will be mapped out and decision made as to whether the class will begin now or after the vacation months.

About ten or twelve have indicated their inteerst in such a class at the inquiry of the pastor, Rev. A. W. Seebart.

Those who are interested and who find it impossible to attend next Sunday evening are asked to send proxy votes as to their desires for plans for the meetings.

Each parent attending is asked to present one problem they are meeting with in child training.

Woodcraft Delegates And Alternates Named

Delegates to the district convention of Neighbors of Woodcraft to be held in Stockton June 18 and 19, have been selected by Hazel Circle of Niles as follows: Julia McKeown, Ida Easterday, Rose Klinkle, Gertrude Souza, Theresa Oliver, Mary Miller, Dorothy Carey, Martha Crane and Sarah Crane.

Alternates: Rose Nunes, Carrie Martin, Tony Miller, Joe Oliver, Elvira Oliver, Mary Callahan, Clara Teeter, Raymond Crane and Willie Carey.

Fire at I. Jacopi's Residence Sunday

The Niles fire department answered an alarm Sunday morning about 11 o'clock when the roof of E. Iacopi's residence on First street caught fire. Prompt action prevented damage.

Auto Hints

Anyone owning a closed car, whether new or old, can preserve the upholstering and at the same time make the car neater by having seat covers put on. Seat covers will keep your clothes clean and the dust out of the upholstering.

If the window elevator or glass is hard to move in raising and lowering, do not attempt to force it. Take your car to an expert, for in forcing the glass or elevator, either may become broken.

****

If the door of your car closes hard, making it necessary to slam it with a terrific force, oil the lock and lock guide. You will be surprised how easily the door closes.

It is better to wash the top of your car instead of dusting it, as it is usually made of fabric and dust or grit will be ground in, shortening the life of the top.

DID YOU EVER STOP TO THINK?

by
EDSON R. WAITE, Shawnee, Oklahoma

THAT in these days of high-pressure business and scientific competition, cities can go ahead by being careful students of economic forces and fundamentals.

THAT one of the greatest insurances against business depression of a city is a diversity of its sources of income; such as farming, manufacturing, jobbing and retail businesses. Each one of these enterprises is a separate sources of income to a certain quota of its citizens, and the failure of any one of them would not create a big depression, as the other sources of income would be able to carry the temporary load.

A city can take what comes its way without an effort and be a good city sometimes. Occasionally some valuable industry will drop in unasked, but that does not happen often.

But the city with vision, energy and a go-getting spirit is the one that has a consistent growth and creates new wealth and happiness for its constantly growing population.

MORE ON REGISTER PARTY

(Continued from Page One)

Paul Whiteman in person and his Old Gold Orchestra will come to this theater on June 7.

Following the show, the Register party went to the New Shanghai, 453 Grant avenue, one of the most colorful and popular cabarets in Chinatown. Following an excellent supper of both American and Chinese dishes, dancing was enjoyed as were the several singing and dancing acts put on especially for the "Eastbay visitors" to whom the manager extended greetings. Ordinarily their musicians do not play on Monday evening, members of the orchestra offering their services on this occasion especially for the Eastbay visitors. The orchesta was conducted by Mr. Charles Spear.

A surprise part of the program which was also greatly enjoyed was the piano solo rendered by A. E. Vest, linotype operator in The Register office, it seems that his fingers having grown accustomed to manipulating one kind of keyboard could display the same skill on one more musical.

The Register delegation reached their various homes in the township about 2 o'clock.

BIG SUR TRIP IS MADE IN 6 HOURS FROM BAY REGION

One of the interesting nearby motor trips is that to the Big Sur region, south of Monterey and Carmel.

Construction work on the Salinas-Monterey highway necessitates detours, the two most highly recommended being via Hecker Pass or Chittenden Pass to Watsonville. The Hecker Pass is the most scenic of the two but the Chittenden Pass is the quicker. A fair to good oiled macadam road, somewhat narrow in spots will be encountered between Watsonville and Castroville; thence good oiled gravel road to Monterey with pavement to Carmel.

Leaving Monterey the road winds its way past the old Mission, and then skirts the bay to Point Lobos, following for miles along the rocky coast, with its occasional snow-white sandy beaches and its spray-covered rocks.

A graded gravel highway will be found to Highland Inn, four miles south of Carmel; an excellent, wide, graded dirt road, with smooth bed, continuing for the next twelve miles. Extensive work has been done on this road during the past season. The next ten miles is through mountainous country, the road winding upwards over seemingly insurmountable ranges and then dipping down through canyons and valleys, dotted with small ranches, only to resume its way over other ranges and through other valleys.

The last five miles follows the Big Sur River, whose many shadowy pools and stretches of rippling current are a constant temptation to the angler. This trip may be made easily in six hours from the bay regions. The Carmel-San Seimon highway is passable to a point seven miles south of the Big Sur.

Mr. and Mrs. Ernest Martin have a new Essex sedan, as have also Mr. and Mrs. F. V. Jones, both cars having been purchased from Rose's Garage in Niles.

What Is Advertising Worth?

WHAT DO YOU GET IN RETURN FOR THE MONEY PAID THE TOWNSHIP REGISTER FOR ADVERTISING?

Read the Statement by advertising agency quoted here:

"The country weekly has the highest value per copy of any known advertising medium," thus speaks James O'Shawuhnessy, executive secretary of the American Association of Advertising Agencies."

Then get your pencil and let's do some figuring.

If you buy space in a city paper, even a small city paper, you pay from 75c to over $5.00 an inch—in the country weekly you pay the neglible sum of 25c an inch. You say, "Oh! but the reason is, the city paper has such a large circulation." True. But Mr. O'Shawuhnessy says, that advertising in the weekly has the highest value per copy. Why? Because more people will intelligently read your ad in the weekly than in the daily—everyone who reads the paper reads the advertisements. And if the weekly paper has the highest value per copy, then you are getting the most for your money in the Township Register.

One Hundred Attend Boy Scout And Camp Fire Meeting Friday

Creditable Showing Made By Boys and Girls Of Community

Something of the splendid work that scouting and campfire councils are doing for the boys and girls of Washington township was seen by the large crowd of parents and interested visitors attending the jamboree in Rose's canyon last Friday evening.

Field Executive Hopkins opened the program which followed the feed of "hot dogs," home-made cake and coffee, by presenting to J. E. Townsend, chairman of the Scout committee, the insignia for the Niles' troop flag showing that after five years of continuous existence it is now a Veteran troop. Commissions were presented to Marshall Green, acting scoutmaster, and committee-men J. E. Townsend, A. F. Johnson, A. M. Alves, J. Geib and Dr. R. H. Bennett. Registration certificates were also presented to Mr. Decoto for his troop.

Marshall Green had charge of the program which included stunts by the boys and girls, many of them being very clever and extremely creditable to the young people and their leaders. Some of the tumbling stunts given by the girls under the direction of Mrs. J. E. Townsend guardian, and Mrs. A. F. Johnson, assistant, were especially good. A cracker-eating contest won by Scout Ferry and Leona Solon, was amusing, as was the singing of the scouts in "Ain't Gonna Rain No More"—with original improvisations. George Geib's harmonica solos were especially enjoyable.

The council fire of the Campfire girls was very picturesque and gave an insight into what campfire work really stands for. Only two of the girls so far have earned the money for their ceremonial robes, this being requisite before they can be worn—Estelle Martenstein and Patsy Duffey. Beads for various accomplishments were presented by the guardian.

The closing incident of the evening was the monthly court of honor presided over by George Coit, of Centerville, several boys receiving merit badges.

Marshall Green, acting scoutmaster of the Niles troop, lacks but three merit badges of reaching the rank of Eagle Scout.

Some of the grown-ups attending were Mr. and Mrs. F. V. Jones, Mr. and Mrs. W. H. Ford, Mr. and Mrs. A. F. Johnson, Mr. and Mrs. J. E. Townsend, Mr. and Mrs. A. M. Alves, Dr. R. H. Bennett, George Coit, W. E. Jones, Mrs. Leon Solon, Mrs. Ed Rose, Mrs. James R. Whipple, Mr. and Mrs. Jack Williamson, E. E. Dias, E. E. Carroll, Mr. and Mrs. Geo. Bonde, Mr. and Mrs. F. M. Mitte, Mr. and Mrs. C. E. Martenstein, Mr. and Mrs. Lester Duffey, Miss Celeste Bunker, Mrs. Ben Tyson, Mr. and Mrs. Farmer, Mr. and Mrs. Harvey Braun, and a number of others.

Encouragement by the grown-ups of the work being done by the boys and girls under the able guidance of leaders, and cooperation in the program which is to be carried out will not fail to result in higher standards among the young people of the next few years.

Lincoln Wirt Urges All To Co-Operate In Peace Movement

Lincoln Wirt, well-known to Niles and vicinity as western secretary for the National Council for Prevention of War, writes the following letter to The Township Register:

"The popular favor with which the Kellogg pact, President Hoovers inaugural address, and the work of Amassador Gibson at the preliminary arms conference have been received, is indicative of an awakened and informed public opinion. To 'awaken' and 'inform' is the mission of the National Council for the Prevention of War.

"During the last year its new handbook, 'Between War and Peace,' has sold into the thousands. Its news bulletin, pamphlets, clip-sheets, cartoons, posters, pageants, letters and press dispatches have been read by millions. Its Armistice Day and Goodwill Day programs are in increasing demand. Its national secretary, Frederick J. Libby, has been constantly on the wing addressing great audiences from the Atlantic to the Pacific—inspiring, encouraging and educating the nation to demand and prepare for permanent peace.

"The western office has sought to stimulate the peace movement in eight Pacific coast states. As a result California, Oregon and Utah have set up their own state councils. During the past year the western secretary has spoken to 99 high schools, 29 colleges, 47 men's clubs, 34 women's clubs, 61 churches, and 75 other audiences. Fifteen thousand, six hundred people in 345 assemblies have heard the message of goodwill. There have also been frequent radio talks.

"The California state council was organized last February. In less than three months 634 members have been enrolled at 'one dollar or more' per year. We expect to have several thousand before the year is out.

"When Congess meets next winter, four great resolutions strengthening the foundations of peace will be introduced. In support of these measures the influence of every member of our state council will count through concerted action.

"Will you join us? We invite you to stand with these loyal and patriotic citizens who are earnestly seeking in sane and reasonable ways to make the future safe for our children."

Art of Sandwich Making

THE choicest of food may become unattractive by the careless way of serving it. The making of sandwiches is an art and certain rules should be followed if satisfactory results are to be obtained.

First the bread used should be at least twenty-four hours old. It should be cut into even, thin slices.

Butter should be creamed before trying to spread it and it should be spread evenly and thin on the slice and quite to the edge.

Lunchbox, picnic or hot sandwiches are left with the crusts on; for afternoon tea they are removed.

If circles are to be used, save waste by baking the bread in circle loaf pans.

Square loafs are best cut into strips, squares or triangles.

The filling should be carefully mixed, not too moist to make the sandwiches soggy.

Spread the filling evenly and not too thin.

Lettuce, cucumber or sandwiches with fillings of that kind should be prepared very shortly before serving.

When using meat remove all gristle, fat and dry edges and put through the meat chopper. Season well and moisten with a little salad dressing, melted butter or chili sauce.

Very thinly sliced meat spread with salad dressing may be used as filling.

If sandwiches are to be kept any length of time put into the refrigerator after wrapping in a damp cloth.

When packing for lunchbox or hiking trips wrap in paraffin paper.

Rolled Celery Sandwiches.—Cut bread into one-fourth-inch slices from rather fresh bread. Spread with softened butter after removing the crusts. Cut stalks of tender celery into lengths the width of slices. Fill the stalks with thousand island dressing. Place a stalk on the edge of the slice of bread and roll up. Place the rolls in the ice chest covered with a damp napkin and leave twenty-four hours. The rolls should keep their shape.
